REACH Regulation 1907/2006

POWERSEM GmbH follows the requirements set by the European Union Regulation (EC) 1907/2006 governing the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

According to Article 33 of the REACH Regulation, our suppliers are obliged to inform us if Substances of Very High Concern (SVHC) are contained in the delivered raw material > 0.1% by weight according to the current "candidate list" (REACH 233 SVHC – January 17, 2023) as identified by the European Chemicals Agency (ECHA).

Such is the case with the substance LEAD (Pb) EC#231-100-4, CAS#7439-92-1, which was added to the "candidate list" as of June 27th 2018.

Based on the state of current knowledge from supplier certifications and information, it is not expected that any of our products contain SVHCs in critical mass of concentration exceeding 0.1% by weight, other than mentioned above. Powersem GmbH assumes no liability for any damages, direct or indirect, known or unknown, resulting from misuse and misappropriation of this information.
